To All:

Since 1947, the Buckeye Lake Area Civic Association (BLACA) has been dedicated to maintaining and improving the quality of life for the people of the resident districts around Buckeye Lake in Fairfield, Licking and Perry Counties.

First of April is the new start date for renewal of your membership. Your **Membership** and **Involvement** strengthen our voice when dealing with issues impacting Buckeye Lake and neighborhoods that make up our community. The larger the Membership numbers in an organization the greater the influence when sitting at the negotiating table.

How do we increase the number of members? First, by each and every one of us who is a member, renewing our membership (Family or Business). Second, with your annual renewal you can give a free gift membership for 2021, to a friend or neighbor with an interest in Buckeye Lake. That's right, no strings attached, a free gift membership with your renewal. The free gift membership is at the bottom of your application. Fill it out and return with your application. ***(It must include an email address for us to accept the application). The free gift membership is free for one year to New Members. (Please include their email address)***

BLACA will continue to represent residents in the Buckeye Lake Region to achieve the best outcomes of issues around the lake.

2020 was a taxing year, with most of our fundraisers and dinners being cancelled due to COVID. We were able to have the 4th of July Boat Parade as well as a restricted Tour of Homes.
